Dear Parents, Grandparents and Friends of Gorsley Goffs.

The Gorsley Goffs 100 Club

I would like to introduce the 100 Club to you.

This Governor-run Club is a very simple and effective way of raising funds for the school. Each member pays a subscription of £52 annually. There are 10 draws a year, and three lucky winners receive £50, £25 and £10. In September and December the amounts are doubled, as there is no draw in August or November. 60% of the money collected goes to school funds, and 40% is distributed as prizes.

This is also a very easy and popular way for grandparents to help support the grandchildren and their school!

The preferred payment option is by standing order. If you would like to join, please fill in and return the form below, and set up a standing order with your bank. You will be allocated a number, and if you are lucky enough to win, the prize will be paid directly back into your bank account.

For online banking, our sort code is: 30-94-14, Lloyds Bank, account number: 00367312, recipient: Gorsley Goffs 100 Club. Please put your full name in the reference box.

You can also pay by annual cheque, please make it payable to Gorsley Goffs 100 Club.

Why not add another number to increase your chances of winning a prize? At present, with one number, you have approximately a one in ten chance of winning.

If you have any questions, or would like more information about the Club, please contact Annie Fisher on annie4730@hotmail.com.

Good luck!

Annie Fisher
Vice Chair of Governors

Name..... Name of Child..... Class.....

Email address..... Telephone Number.....

I would like to join the 100 Club. **I have set up a Standing Order to pay:**

Amount: £52 per annum / £13 quarterly. . Starting from:
