

# LIGHTS CAMERA ACTION!

## Things to remember!

- PE on Monday (indoor) and Friday (outdoor). PE kit should be worn on both days.
- Homework is due every Wednesday.
- Reading records should be brought into school on a daily basis.

As Artists we will develop photography techniques, including composition, lighting and action.

As Scientists we will be investigating electricity and creating our own circuits.

As Musicians we will continue to learn the toot and develop our appreciation of a wider range of music. (Mrs Gibson)

In Computing we will be manipulating our digital photographs and adding text to make Key Note presentations.

In RE we will be exploring what is meant by the Trinity and why it is important for Christians.

As athletes we will be developing and performing gymnastic sequences (Monday), whilst also challenging ourselves to develop our football skills, co-ordination and teamwork (Friday).

As Geographers we will use atlases and IT to help locate the World's continents, countries and capitals using latitude and longitude, focusing on the human and physical geography of Europe.

In French we will be learning about "Ma Famille".

In Drama we will be focusing on improvisation. (Mrs O'Neil)

In PSHE we will be 'Celebrating Difference' exploring how and why we make assumptions.

In Design and technology, we will use our science skills to create a light up Christmas decorations and improve our needlework skills, in the context of Christmas crafts.

As Writers we will be using Leon and the Place between to write to inform and entertain. We will revisit using apostrophes to show possession, inverted commas for speech and the past tense.

As Mathematicians we will be developing understanding of area, multiplication and division. We'll be concentrating on improving our times tables knowledge - please keep practising fluency daily, with TTRockstars.
