

Spring Term 2

Homework Ideas.

Each week choose a different challenge.

The choice is yours! Complete it and bring any evidence in to share with the class on a Monday.

Your homework book must be brought into school every Monday, with details of the project you completed that week.

It will be marked and returned weekly.

Be creative and enjoy yourself.

<p>Go outside and take some photos of the sun's shadows. How could you present your photos creatively? Remember don't look at the sun.</p>	<p>Make a dark den out of any material you choose. Send us a photo to share with the class. lyndershomework@gorsleygoffs.he.reford.sch.uk</p>	<p>Write a newspaper report about Mary Anning.</p>
<p>Stone age people did not understand numbers as we do. Archaeologists have found tally markings in caves that they think might be stone age counting. Can you come up with your own method of counting? You might want to choose symbols to mean certain amounts. Will you count in sets of 10 or will your counting system work in another way?</p>	<p>During the Stone Age, some people lived in caves. If you had to live in a cave what would you like it to look like and what would be in it? Be as creative and imaginative as you like! Maybe you could build your own 3D cave to bring in.</p>	<p>Imagine that you have been whisked back in time to Pre-historic Britain. You have been allowed to take one person or one object from 2026. What or who would you take and how would you explain your choice? We are reading 'Stig of the Dump'. How would you explain your choice to Stig?</p>
<p>Remember anything goes... be creative and enjoy doing something about this topic at home and send in all the details - we will look at it together. Links can be tenuous!</p>		<p>Find out about light. Can you put your information onto a PowerPoint and share it with the class? lyndershomework@gorsleygoffs.he.reford.sch.uk</p>
