

Invaders, Raiders & Traders

Spotlight Subjects

As Historians we will be exploring the Viking and Anglo-Saxon struggle for the Kingdom of England to the time of Edward the Confessor.

In Drama we will be concentrating on performance as we work together to prepare a class play.

As Scientists we will be investigating sound and the different states of matter.

National Curriculum

As Musicians we will continue our ukulele practice and introduce the toot as well as enriching our appreciation of a wider range of music. (Mrs Gibson)

In Computing we will be writing clear commands and using repetition in programming.

In RE we will be investigating what kind of world Jesus wanted and why the day Jesus died is called Good Friday.

In French we will be learning classroom commands and equipment.

As Geographers we will use atlases to investigate settlement names in Britain and Europe. We will study the 'who, what, why and how' of settlements and use IT to help locate countries and cities of Scandinavia.

As Design Technologists/Artists we will be designing, making, strengthening and refining Viking shields to last the challenges combat training and battles of 1066.

As Athletes we will be challenging ourselves to develop our balance, agility, co-ordination and teamwork in the context of dance and netball (Paces)

In PSHE we will be discussing our dreams and goals and describing what it means to be a good friend.

As Writers we will be informing and entertaining, with letters, poems and non-chronological reports. We will revisit apostrophes for possession and will select words for effect.

As Mathematicians we will be developing our understanding of division & multiplication, measuring length & perimeter and exploring decimals & fractions. We will continue to practice our multiplication facts, improving our accuracy and fluency.
