

## Gorsley Goffs 100 Club Annual Report 2025

As children move on to their secondary schools, parents also move on having supported the 100 Club during their children's primary education.

This year it has resulted in 10 members leaving but only 3 being added to the membership.

The 100 Club exists only to provide benefits which help enhance the children's enjoyment and education whilst at Gorsley Goffs, and enable staff to add to and maximise available finances.

Just to recap on how it works, the weekly contribution is just £1 and three prizes of £50, £25 and £10 are drawn monthly. *(All managed online by standing order and faster payments directly from and to your bank account)* Prize winners are published in Gorsley Goffs Newsletter.

**In 2025 the 100 Club has been able to provide funding as follows;**

**£500 donation towards new chairs for Wye Class.**

**£280 to purchase 2 Laminators.**

**£107 to provide reading books for Oxenhall Class.**

**£250 donation towards fans for all classrooms.**

To continue support at this level the 100 Club needs to attract additional members.

If your children have recently joined Gorsley Goffs or you presently are not a 100 Club member please will you consider joining?

Membership is open to everyone, parents, grandparents, friends, staff, Governors and anyone over 16.

If you feel that that you would like to be part of this journey and become a member please contact me, [facey373@gmail.com](mailto:facey373@gmail.com), or I am usually in the playground on Thursday and Friday, collecting a grandchild, and would be happy to answer any questions you may have.

Finally, an audited copy of the annual accounts is available on request.
