

Summer 2026

Each week choose a different challenge. The choice is yours! Complete it in your homework book, if appropriate*, or digital work can be sent to

oxenhallhomework@gorsleygofts.hereford.sch.uk

*Either way your homework book will be checked on a Wednesday, so please date and write the title of any work emailed. It is not necessary to print it as well.

Be creative and enjoy yourself!

Every week Reading – try to read for at least 10 mins every day. Try to vary your choice of book or text. It's ok to listen to stories too. Try paired reading with an adult.	Write or record your persuasive argument. Try to persuade someone to change their habits and explain how that will help the environment.	Every week Maths – MyMaths Don't forget TTRockstars: there will be competitions!
Geography Draw a map of the British Isles. a) How many islands can you find? Or b) How many cities can you find and label?	English/History - Letter Imagine you're an evacuee from Birmingham in WWII. What do you think of Gorsley (or your village)? Write a letter home. What will you say? What will you leave out?	Living History With parental permission, interview someone who has lived in your town or village for more than 30 years. What has changed? What has stayed the same? Does anything surprise you?
Free Choice Based on classroom learning	History Research the history of your house or village. Has it always been like it is now? What has changed? How/why has it changed? What evidence is there that life was different in the past?	History Draw your own family tree. How many generations can you explore?
Every week Spelling – try to use Spelling Shed at least once a week, in addition to work in school. 5 minutes every day will really help you.		Biography Write a biography for someone you admire. What are they known for? What have they achieved?
Geography Draw a map of your village or town and/or Present a guided tour of your village or town. What are the key features?	Local History research Draw a labelled picture of your house or an older building you're familiar with. <i>How has it changed through time? Who lived there in the past? What was their job?</i>	DT - Research and draw Draw and label a picture of a local bridge. <i>What's its purpose? Why was it built? When was it built? What's it made of? What gives it strength?</i>
