

If I Could Fly...

Homework Activities...

Autumn Term 1

2026

Choose one activity to complete each week. Put any evidence of the activity into your homework book and bring into school by Wednesday every week.

Please tick and date the activity you have completed, even if you have emailed your homework. Be creative in your homework and have some fun.

Photos and digital work can be emailed to the class email address:

Great Fire of London Research
Use the internet to find some interesting facts about the Great Fire of London. Write down your facts and choose your favourite one to share with the class.

Weekend Diary Writing
Samuel Pepys was famous for writing a diary. Write a diary entry about one weekend. Include the things you did, the places you went and the people you saw. Try to describe how you felt about the different events.

Bird from around the world
Research ten birds from different countries around the world. For each bird, write down its name, the country it comes from, and the continent where that country is located.

Wingspan Challenge
Measure your wingspan by stretching out your arms and asking an adult to measure from fingertip to fingertip. Then, find a bird with a similar wingspan and write down its name.

Fun Bird Facts
Choose a bird to research. Find out where it lives (its habitat), what it eats (its diet), and which country it comes from. Write down any other fun facts you discover!

Bird A-Z Challenge
Create an alphabetical list of bird names. Don't worry if you can't find a bird for every letter!

Favourite Bird Drawing
Draw and label your favourite bird. Use adjectives to describe what it looks like.

Bird Feeder
Make a fat ball for the birds in your garden. Then watch to see which birds come to eat it.

Bird watching
Spend some time bird watching in your garden or by looking out of a window. See how many different birds you can spot. Can you identify the species of each bird you see? Write the names of the birds in a list. Keep a count of how many times you see each type of bird. Can you present your findings in a tally chart?

Every week
Read to an adult 5 times a week and record it in your reading record. Reading records are checked Mondays, Wednesdays and Fridays
Practise counting in 2s, 5s, and 10s.

Your Own Idea
Have you got your own homework idea linked to our topic? If you do, add it to your homework book too!
